Central Park Waterline Replacement Project Update

The City appreciates your ongoing patience with the work along the busy corridors associated with this project. Find additional details and updates online.

North Street will be reduced to one lane as water line work continues.

Madison Avenue will be closed as water line work begins.

Geer Street will be reduced to one lane as sanitary sewer work continues.

Washington Street between West Corporation Street and Geer Street will be closed as water line work continues.

West Corporation Street between Morris Street and Liggett Street will be reduced to one lane as sewer work continues.
